Do something bigger altogether

Housing on campus for Graduate Students

Personal triumphs are easier when you live on campus

UNCG Office of Housing and Residence Life
As a graduate student, we recognize that your life is different from that of an undergraduate. Lofts on Lee is perfectly suited for the specific needs of graduate students, who require increased independence, privacy, flexibility, and ease of access to campus. Graduate students who live in Lofts on Lee are immersed in a diverse and inclusive campus environment where they interact with fellow graduate students studying different disciplines. They are given opportunities to form friendships with others who share a common workload and to easily gain access to faculty and other support services on campus.

We have housing available for graduate students who want to live on campus.
